

Building Our Future Progress Report

October 2011

Capital Campaign Results to Date

The Session and the Diaconate held a joint meeting on Tuesday, September 20th to review a number of options for our building program which were developed by our architect, Hal Fuller.

As a result of the presentation and follow-up discussion, Hal and the Enabling Unit were tasked with further development of one of the options (with modifications) for presentation to the Session. The Session met Tuesday, September 27th and we will hold a **Congregational Presentation of the revised plans Wednesday, October 19th at 6:30 PM in the CLC**. Mr. Tim Cool, our consultant of Comperio C3 will be here for the presentation.

As always, payment on 2011 pledges are both welcomed and appreciated.

-Dudley Saleeby, Capital Campaign Director
