You will be notified when space is available for your child. If a space opens before your child needs care, you will have an option of enrolling early and paying for the space until your child is in attendance. If you do not enroll it will allow the space to go to the next eligible child on the list.

We cannot hold spaces.

If you find alternate care for your child and no longer need space, please contact us so that we may keep our list as accurate as possible.

It is your responsibility to contact us every 3 months to confirm that you will need care for your child. In the event that you do not contact us, you will automatically be deleted from the list. No exceptions.

First priority for any available spaces will go to the following:

- Children whose parents are active members of First Presbyterian Church.
- Children who have siblings that are currently enrolled.
- Children whose parents are members of FPC Church/CDC staff.
